#### Grade 4s

- Will be participating in Foundation Skills Assessment (FSAs). The format this year is new so students will need to 'click and drag' more than before. A practice for a few questions should occur next week with the assessment (on computer and book) complete by early November

- **MDI Middle Years Development Instrument (MDI)** is an online survey.

The purpose of this study is to better understand and measure areas of middle child development that contribute to children's well-being, health, and school success by asking children themselves about their thoughts, feelings, and experiences in school and in the community. Participation is voluntary and request to withdraw needs to be submitted by Nov 3.
