April 2025

Bonjour ECME Families,

We hope that you had a great spring break.

We hope that everyone is refreshed and ready for a busy Spring season.

Student learning updates will be distributed this month via Spaces or in paper format on April 22.

On April 22 and 23, students will have the opportunity to participate in an Earth Day activity during lunch to create a seed packet. This is a fun way to celebrate nature and learn about sustainability.

The Morrison school community celebrates diversity through posters and presentations on occasions such as Easter and Women's History Month. We want to promote kindness, empathy, and inclusion by recognizing and celebrating diverse months. With that being said, April is Sikh Heritage Month, and we would like to take this opportunity to acknowledge and celebrate the Sikh community. If you are part of our Sikh community and would like to share more about your culture and heritage with us, please don't hesitate to contact us.

Next month is Pride Month, and we would like to ensure all students, staff and family feel safe and welcome in our schools.

This month, our Grade 4, 5, and 6 students will be preparing for track and field. We would like to thank our grade 4-6 teachers for their coaching.

Again, welcome back. We are excited for our last term.

Sincerely,

ECME Admin
