January 29<sup>th</sup>, 2025

ECME Families!

January always feels longer than it should, but we have all made it through!

The introduction of our new Code of Conduct, the “Circle of Courage,” has sparked meaningful conversations within our community about belonging, generosity, independence, and mastery. It’s truly inspiring to see so many students actively engaged in their learning and successfully pursuing the goals they’ve set for themselves.

As we look ahead, parent-teacher conferences are just around the corner. This is a wonderful opportunity for you to connect with classroom teachers and discuss your child's progress. Open communication among students, teachers, and parents/guardians is essential in supporting each student's learning journey, and our teachers will be reaching out with sign-up information for conferences shortly.

We have also finished our Grade 6 hockey season. Congratulations to the team for a short but fun season! Volleyball season is now in full swing. We have two teams of Grade 6 students this year.

February is recognized as Black History Month, allowing us to reflect, understand, and celebrate Black excellence. Our classroom lessons during these events will reflect those themes.

We encourage families to participate by sharing elements of their culture and traditions with us. If you would like to collaborate, please don't hesitate to reach out to the office.

**Lastly, we've been fortunate with the weather so far. However, in the event of a school closure due to inclement weather, please check the school website for timely updates. We may also need to send students home early in such situations, so it's essential to have an early dismissal plan in place for your child.**

Sincerely,

ECME Admin
