ECME Families,

As we end this school year, we want to express our heartfelt appreciation to all the families at Morrison. We had an exciting month yet busy month, filled with field trips, sports days, and year-end celebrations. A standout event was our "Good Medicine" concert performed by our talented students, as well as the meaningful Indigenous lunch organized by our Indigenous department and PAC. None of these events could have been successful without the support of our fantastic school community.

We wish you all a wonderful and rejuvenating summer ahead. It has been a joy to welcome new families this year, and we extend our best wishes to those moving on next year.

Have a safe and joyful summer!
