January 8th, 2025

Welcome back to school, ECME Families!

We hope you have had a restful break!

We have hit the ground running! Students have already started their new term. We encourage you to keep in touch with the classroom teachers so you can better support your academic and social goals. Additionally, our school's grade 6 hockey team has already its first practice, and volleyball will begin near the end of the month.

Our Grade 5/6 students have the opportunity to join an optional ski and snowboarding program at Sasquatch Mountain. Information has been sent home with students.

We invite families in our community to come in and share parts of their culture and traditions and explain why these celebrations are so important. If you want to collaborate with us, please contact us at the office.

That said, this month, the students will learn a little about the Lunar New Year. Additionally, February is recognized as Black History Month, allowing us to reflect, understand, and celebrate Black excellence. Our classroom lessons during these events will reflect those themes.

Some exciting events are coming up at our school, such as parent-teacher conferences, Pro-D, and a family day.

Finally, Pre-registration for Kindergarten will be on Jan 13 for French immersion and Jan 20 for English.

Please visit our school's website for more information on these upcoming events, and be sure to connect with your child's teachers to stay up-to-date.

Sincerely,

ECME Admin
