November 2023

Bonjour ECME Families,

It was great seeing so many amazing costumes on Halloween! Students, staff and families looked great! Thank you also for limiting the number treats being sent to school in order to support kids' ability to regulate.

The ECME Pumpkin Patch was a huge success! It was a beautiful day and students enjoyed getting to choose their own pumpkin and have a class photo to take home. Thank you so much to the PAC and the volunteers who funded this event and did all the work to make it happen. Our school is able to have fun events like this because of the volunteers and the fundraising that is done. Thank you to everyone who supports the school community.

Our school community has been working with city officials on improving safety with the parking around the school on the streets. There are a few key spots with 'No Parking' signs. Please do your part to keep our whole school community safe by following these signs. The City By-Law Officials have also let us know that they will be visiting our school area in the coming days and months.

We will be accepting donations for Halloween for Hunger until Friday, November 3rd.

Remembrance Day assembly will be held on November 10th at 9am. Parents are welcome to attend but should be aware that this will be a serious assembly.

Thank you.
